A new generation of SHADE

TRULY UNIQUE! These versatile canopies give you sun when you want it . . . shade when you need it.

A unique alternative to the traditional Patio Cover or Pergola!

Aristocrat Retractable Canopies are versatile and decorative shading structures that can be installed freestanding or mounted to your home or other outdoor structure wherever you are looking to create a comfortable, shaded retreat. The Aristocrat Under Pergola Canopy trolley system is also adaptable to attach directly to the rafters of any size existing Pergola, providing welcome shade to this trendy structure.

This appealing shading solution helps protect you by blocking the harmful UV rays of the sun that cause skin cancer by **as much as 94%**. Canopies also help you save energy when attached to your home over your windows and doors by **reducing the amount of solar heat gain** and lowering your cooling needs and costs **by as much as 33%**.

Precision made by Craft-Bilt Manufacturing Company, a leader in the home improvement industry since 1946, Aristocrat Canopies feature the latest advancements in technology, electronics and engineering and are proudly **MADE IN THE USA**. Engineered from custom-designed aluminum components, Aristocrat Canopies come in a variety of sizes, configurations, colors and fabrics to add beauty and provide cool, comfortable shade.
